Procurement Reference No: **CRWB/GoM/C/NS/2024/01**

Procurement Method : **National Competitive Bidding (NCB)**

Date of Issue : **05th August 2024**

1. BACKGROUND INFORMATION

The Central Region Water Board (CRWB) through the Government of Malawi has received funding under the Public Sector Investment Program (PSIP) toward the cost of the Ntchisi Town Water Supply and Sanitation Project, and intends to apply part of the proceeds toward payments under the contract for consultancy services.

The objective of this project is to improve water supply and sanitation status to over 40,000 people of Ntchisi Town and surrounding areas so that water borne diseases and those that are associated with hygiene related to water supply and sanitation are prevented. Among other specific objectives, the project will seek to improve water supply to 24 hours a day, increase coverage to 100%, improve water quality and reduce non-revenue water to 25%. This will be achieved through upgrading of the whole water supply system including intake, transmission mains, water treatment plant, water storage reservoirs and the distribution network. The CRWB would therefore like to engage a consultant to undertake design review and supervision of the Rehabilitation, Upgrading and Expansion of Ntchisi Water Supply Scheme and Construction of Sanitation Facilities.

The consulting services (“the Services”) include review of designs, engineering designs of some components , production of shop drawings and construction supervision of the Rehabilitation, Upgrading and Expansion of Ntchisi Water Supply Scheme and Construction of Sanitation Facilities.

The assignment shall be completed within a period of thirty (30) calendar months. Phase 1 of the consultancy assignment is expected to be conducted over a period of eighteen (18) months (construction phase) and Phase 2 over a period of twelve (12) months (defects liability period).

The detailed Terms of Reference (TOR) for the assignment can be found accessed from the Procurement and Disposal Section of Central Region Water Board by contacting through this email: tnyalapa@crwb.org.mw

The Central Region Water Board now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

1. Core business area in Engineering or Architectural consulting.
2. Relevant similar experience, which should specifically include the below:
 - (a) Experience in preparation of detailed designs for water supply systems;
 - (b) Experience in preparation of detailed design for solar power systems;
 - (c) Experience in construction supervision of water supply infrastructural projects, and solar power projects.
3. Technical and Managerial capability of the firm. (Provide only the structure of the organization, general qualifications and number of key staff. Do not provide CV of the staff. Experts will not be evaluated at the shortlisting stage.)
4. Experience in the Sub-Saharan Africa region.

Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A Consultant will be selected in accordance with the Quality and Cost-Based Selection method set out in the Procurement and Disposal of Asset Act No 27 of 2017 and Public Procurement regulations 2020 of the Republic of Malawi under National Competitive Bidding (NCB) Procedures.
